

Dear Parents and Friends of Holy Spirit School,

This year's annual Read-a-Thon will begin on Friday, March 2nd. We kick-off our fundraiser with a school-wide celebration of Dr. Seuss. This annual celebration really gets our students inspired to read! Let's use that enthusiasm to help raise money for Holy Spirit. As you know we are always trying to find ways to engage our children in new and interesting ways, such as our recent addition of a robotics program and other STEM projects; these exciting projects require extra funds. That's where you, your friends and families come in.

We are asking each family to raise \$100

Your tax-deductible contribution can be

- a flat amount (not directly tied to minutes of reading), or
- from sponsors based on actual minutes read (each minute = 1)

You can help us build STEM projects and encourage reading

- via check written to Holy Spirit School, or
- via electronic payment through the Holy Spirit School's website
