

The National League of Junior Cotillions

Fairfax Circle Chapter

Proudly presents

the 2019-2020 Season of Junior Cotillion

The purpose of the National League of Junior Cotillions program is to give young people instruction in etiquette, manners, and character education; to give them training in standard ballroom dance; and to provide opportunities to practice and enjoy these skills. The program helps students develop the confidence and poise that comes from knowing the proper etiquette for any social situation.

We offer programs for students in sixth grade through high school. Each program is developed to meet the needs of the students in that particular age group. New students in all grades are welcome to join us, and need not have participated previously.

The first two years of Junior Cotillion are for students in grades 6 & 7.

This program meets once a month for an hour and a half class in September, October, November, January and February. For the convenience of our parents:

The Fairfax Circle Chapter at The Army Navy Country Club of Fairfax (3315 Old Lee Highway – near Fairfax Circle) on Tuesday evenings.

A Winter Dance will be held in December or January and a Spring Ball in March. Dates, times and locations to be announced.

For more information or to register, please go to:
