The Fantasticks

book and lyrics by **Tom Jones**

music by **Harvey Schmidt**

produced by **Sharon Field** and **Rance Willis**

directed by **Eleanore Tapscott**

Try to remember a time when your greatest adventure was the first romance of your life. This funny and sentimental musical is the deceptively simple tale of a boy, a girl, and their meddling fathers who nudge them toward marriage by pretending to keep them apart. This long-running musical, with a nod toward Shakespeare's *Romeo and Juliet*, has been enchanting audiences with its universal themes and memorable songs, including the beautiful "Soon It's Gonna Rain" and "Try to Remember."
