## Diocese of Arlington Elementary Schools Moving to Trimesters

The Office of Catholic Schools has made the decision to move the elementary schools away from the current quarter system to a trimester system beginning in the Fall of 2018.

The intent of moving to the new system is primarily to allow increased instructional and assessment time before a marking period ends. With the change, student report cards will be sent out three times during the academic year (as opposed to the current four times).

Please see the letter in the Family Folder section below from Dr. Jennifer Bigelow, Superintendent of Catholic Schools.

The change will not impact the start or end dates of the 2018/2019 school year. The first day of classes for students will be August 27, 2018 and the end date (dependent on inclement weather) will be around June 12, 2019.

The academic calendar for the 2018/2019 school year will be made available towards the May/June time period, as usual.

This week's newsletter has an amazing number of flyers associated with it. Please be sure to scroll all the way through to the end in order to not miss sign-ups for various Spring sports, clubs and activities.

We are looking forward to spending time with our guests tomorrow for the annual Fathers Day Mass. Please remember that students arrive with their guests in time for the 9:00 am Mass and go directly to the church.

Spring pictures will be taken next Tuesday, March 20th. Students are invited to wear their Sunday best (no jeans, shorts, or athletic wear should be worn). All students will have their pictures taken and picture packets sent home. If you do not wish to purchase any or all of the pictures, you must return the packet to school.

Holy Thursday, March 29th is an 11:30 am dismissal day and there is NO Extended Day. There is no school on Good Friday, March 30th and our Easter break is April 2- April 6th. When we return to school on April 9th students may begin wearing their Spring uniform.

A last reminder to those families applying for Tuition Assistance for the 2018/2019 academic year. The deadline for submitting an application to FACTS is March 16th; families MUST submit an application and the supporting tax documents in order to possibly be eligible for assistance. Information and a link to FACTS is available via the school website.

## **Do You Have Power? by Laura Thieman**

A friend kindly texted me to see if we had power during our recent windstorm and I responded with a witty, "No power except God's at the Thieman's!" And then I started reflecting. I was struck with how quickly I noticed no lights, no heat and no warm shower, but how slowly I notice God's light and God's warmth! My husband (who I called "Mike-Gyver" during this time period) was energized by the adventure and the challenge of losing power and navigating the darkness, the cold and the winds. He tirelessly sought out neighbors in need of assistance and provided it with great kindness. I realized that within two weeks, we went from the wake of the Florida school shooting to a severe wind event in our local area. Both events left many feeling completely powerless, though in different ways. As parents, we instinctively worry about the safety of our children and our families.

I'd like to offer a quote from the universally-loved Mr. Rogers: "When I was a boy and I would see scary things in the news, my mother would say to me, 'Look for the helpers. You will always find people who are helping.'" I am someone who struggles with anxiety and worry from time to time. Prior to meeting my husband, I would hear an ambulance and begin worrying instantly. Then I met my husband. I remember the first time we were together and heard

the sound of an ambulance. He calmly said, "Let's pray a Hail Mary together", and began praying. I learned he had developed habits of integrating the comfort and power of our Catholic faith into his response. This was deeply challenging to me and has become an incredible gift. Similarly, he has a devotion to the guardian angels, which he has nurtured for many decades and has shared with our family. (I, on the other hand--hadn't considered guardian angels since I was in 2nd grade!) There are not only people who are helping, but we can enlist our heavenly advocates in protecting the safety of our children in mind, body and spirit.

The events of 9/11 taught us a very powerful lesson when it comes to children and inappropriate media exposure. In the days after this tragedy, young children were observed to be reenacting the events of 9/11 over and over in their play. Researchers began to realize that from the perspective of the young developing brain, each time a young child saw the event through a media exposure, they experienced it as happening over and over again.

The National Catholic Educational Association offers a helpful recovery guide in their resource, "Talking with Your Kids About a School Shooting". The article highlights warning signs of too much stress and offers practical approaches to supporting children and ourselves. These include the importance of rebuilding routines and relying on our Catholic faith for support. As Catholics, we can together answer the question, "Do you have power?" with a resounding "Yes!"

### Holy Spirit School's Annual Read-a-Thon

Dear Parents and Friends of Holy Spirit School,

This year's annual *Read-a-Thon* will begin on Friday, March 2<sup>nd</sup>. We kick-off our fundraiser with a school-wide celebration of Dr. Seuss. This annual celebration really gets our students inspired to read! Let's use that enthusiasm to help raise money for Holy Spirit. As you know we are always trying to find ways to engage our children in new and interesting ways, such as our recent addition of a robotics program and other STEM projects; these exciting projects require extra funds. That's where you, your friends and families come in.

**We are asking each family to raise \$100**

Your tax-deductible contribution can be

- a flat amount (not directly tied to minutes of reading), or
- from sponsors based on actual minutes read (each minute = \$1)

You can help us build STEM projects and encourage reading

- via check written to Holy Spirit School (in memo put: B4B, student name & teacher)
- via electronic payment through the Holy Spirit School's website
  - <https://www.holyspiritflames.org/> > Support Holy Spirit > Online Giving

Prizes

- The class that raises the most money will earn a dress-down day and extra water balloon time on Field Day
- The student that raises the most money will receive a dress-down day for their class

Additional instructions on how to donate and how to work with sponsor's will be available upon request. Forms can be found through Mrs. Ashby's communications, or from the Chair of the Committee, Teresa Schnitzius: [tschnitzius@cox.net](mailto:tschnitzius@cox.net)

(Third Grade's Word Search)

Monday's Professional Development Day for the teachers was terrific. They learned a platform called Classflow which works in connection with the ActivPanels.

Not only can teachers create visual lessons for use on the panels but they can create interactive lessons that students can do directly on the panel or on either the iPads or Chromebooks as teachers can "push" the activities to students devices.

Thank you to those who have already contributed - I am deeply appreciative of your generosity.

Several methods of payment are available: follow the link below; send a check made payable to Holy Spirit School (designating "ActivPanel" on the memo line); or make use of the Online Giving tool via the school website under the *Support Holy Spirit* tab.

## COMMITMENT WEEKEND IS HERE AT LAST!

Over the past few months, every registered Holy Spirit Parish family should have received a campaign brochure packet either at a reception or in the mail. Pledge Cards are now in the hands of ALL parishioners. The leadership of Holy Spirit asks that you make your commitment TODAY! While we are asking every household to consider a pledge of \$4,000 or more (payable over a three-year period), *gifts of all sizes are important and greatly appreciated*. We are not asking for equal giving, just equal sacrifice. Your gift should reflect how the Lord has blessed you and your loved ones. Please return your Pledge Envelope as soon as possible. WE NEED YOUR HELP! Together we will make this campaign a success!!

## VOLUNTEERS IN ACTION...

In an effort to make personal contact with all registered families regarding our "Building Communion & Community" Capital Campaign, committee members and volunteers have been reaching out to anyone who did not have a chance to attend a reception. We know it's very important to engage each parishioner in order to ensure that everyone is informed and has had his or her questions answered. We are grateful for the positive response received thus far. Now, we respectfully request that you please turn in your response to help lighten the workload of our dedicated and enthusiastic campaign volunteers who will begin their follow-up work very soon. Thank you in advance for your cooperation and assistance!

*"I will be their God and they shall be my people." - Jeremiah 31:33*

What does it mean to be God's people? It means we recognize that everything we have and everything we are belongs to God. We aren't "owners" of anything, we are merely "stewards" of the gifts God has given us. It means we are willing to use our gifts and our lives to care for our neighbors and the world, just as God cares for us.
