"Protect the Creation; Praise the Creator"

Bravo! Encore!

From a soon to be prima ballerina to phenomenal yoyo tricks; from an up and coming rock band to the skill and speed of a Rubik's Cube phenom - last night's PTO Talent Showcase was AWESOME!

Mr. Terpenning, our perennial host and all around "Good Guy", was in rare form again. He kept the show moving despite one snafu with Zoom and made sure all in attendance and at home had a great time.

Kudos to all of our student performers for sharing their talents with us! And thank you to all who joined in the fun virtually. What a year!

We are excitedly awaiting FIELD DAY next week. Remember that this annual event happens rain or shine. This year's event will be just a bit different, but the students can all still look forward to games, pizza, ice cream, and lots of fun.

A reminder that Friday, May 21st is an early dismissal day; Extended Day will be open. The teachers will be participating in professional development that afternoon. Holy Spirit is blessed to have a terrific working relationship with Marymount University and access to several of the professors there who graciously come in to support the continued learning of our teachers.

Thank you for your support of this week's Book Fair; I hope you all found some great "reads".

And special prayers for our students receiving their First Holy Communion on Saturday; what a wonderful day it will be!

Have a terrific weekend.

Required Symptom Screening Questionnaire

We continue to work on an App for the daily health screening. Students must continue to arrive at school each day with a paper copy of the completed form. We are asking for the paper copy for now as trying to manage emails from families at the start of each day is not workable or practical for the staff.
