

Holy Spirit School

Summer 2022

Reading List

Reading is fundamental to learning. It increases your vocabulary, enriches your mind, and stretches your imagination. Recognizing these factors, Holy Spirit School requires all students entering grades K-8 to complete a summer reading program. In addition to these required texts, we have included a list of optional selections and recommended read-aloud books, which we also encourage you to read. The books are available in paperback at local bookstores, libraries, and on-line. This brochure is also located on the School's website at www.holyspiritflames.org under the "Happening at Holy Spirit" section on the front page of the website.

ENTERING KINDERGARTEN

Help your child begin the journey into the world of reading with the most enduring classics of children's literature: nursery rhymes. The rhythm and rhyme of these verses give children important early experience with literature and reading through listening, echo reading, and retelling. Your child should be able to recite the Mother Goose Rhymes at the beginning of the school year.

Read to your child DAILY. When you finish a book ask your child what he/she liked about the book. Encourage discussion about the book with your child. He/she should begin to express answers in complete sentences. Avoid questions with yes/no answers. Rather, ask questions such as 'why did.....go out to the tree?' and 'what was your favorite part of the story?' Help your child develop critical thinking skills by discussing possible endings to a story. Children enjoy imagining what they would have done if they were the main character of a story.

Required reading for Kindergarten:

A Ball for Daisy by Chris Raschka

Pancakes for Breakfast by Tomie dePaola

These two books are NO WORD books. Your child can tell you the story using the pictures many times through the summer.
