Dear Parents,

The school has a subscription to World Book Online Reference Center. Students can use this reference source at school and at home. It contains the same topics as the 22 volume printed version of the World Book Encyclopedia and much, much, more. This is a valuable resource for the entire family. Please take the time to explore what is available to you and bookmark this site as a favorite!

To access World Book Online Reference Center from school or home, type the web address:

<http://www.worldbookonline.com/?subacct=K8640>

School login:

We hope you and your children enjoy this resource and use it often.

Sincerely,

Maureen Ashby

Principal
