As we have quickly worked our way through the 1st quarter of the school year, I want to stop and take a moment to say thank you to all of the parents, grandparents, aunts, uncles, and friends who assist our students and school on a daily basis. Without volunteers, we are not the vibrant, active community that we are, and we cannot possibly present to the students all of the learning and fun activities that we provide.

I thank you for giving of your time, your talents, and your treasure. With your assistance, we are able to create lifelong memories for your wonderful children.

I am truly blessed to be a small part of this community and each day

look forward to watching your children grow in grace and wisdom.

Thank you!
