# 5K Spirit Run

For many years, Holy Spirit Catholic School has been supporting all types of learners through our resource program, including those with mild to moderate disabilities. Our program currently supports over 30 students, helping them to achieve social and academic success as they learn in inclusive classrooms alongside their peers. This year, we have expanded our program to welcome students with intellectual disabilities and other more significant learning needs.

In order to make a Catholic education accessible to all, the additional costs required for licensed special education professionals and resources are covered primarily by grants and fundraisers. We are excited to host a 5K Race on May 21, 2016 at Burke Lake Park to help us raise these funds as well as build community and raise awareness of our program. We are writing to ask for your support and sponsorship in this endeavor. Monetary donations will help cover the cost of the race, allowing the profits from race registration to directly support Holy Spirit's Resource Program, enabling children with special needs to receive a Catholic education. Please see the reverse of this letter for sponsorship levels.

Thank you for your consideration.

Sincerely,

Katie Bidinger and Sue Gibbons
