---

Dear Parliament Pool Member,

The 2016 Parliament Pool swim season will be here before we know it, and your board is hard at work preparing. We are all looking forward to another successful summer of relaxing, swimming, and socializing at our neighborhood pool.

The board is pleased to announce that membership rates will remain the same as last year. Please refer to the membership application for details.

***\*\* New This Year: Registration Opens February 1. Registration forms can be downloaded from our website at [parliament-pool.com/join](http://parliament-pool.com/join) \*\****

Help us get a jump-start on the many tasks necessary to open the pool by joining or renewing early! **As always, we offer a \$25 early-bird discount for payments postmarked by April 15** (must pay by check to receive discount). Membership packets will still be mailed out in March, but renewing by sending in your registration form prior to this date will save the pool postage fees. Please consider renewing in February!

The board hopes that opening registration early will help increase membership, the best way to keep our pool community thriving. **Refer a friend and receive a \$50 discount!** Whether you are new to the pool or an existing summer member, please consider a bond membership. The one-time \$300 fee is an investment in your pool, neighborhood and community. With the reduced membership rates that come with a bond membership, you will earn the fee back in as little as three years. Other benefits include discounts on facility rentals and eligibility to vote in pool board elections and on pool referendums.

Confused about the difference between stock and bond memberships? To clarify, after a history of offering stock memberships, it became necessary to convert to bond memberships for the financial health of the pool. The only difference is bond memberships do not have the option of redemption. The one-time bond membership fee goes directly to the pool's capital improvement projects, allowing the pool to efficiently manage its operations. Contact the pool at [membership@parliament-pool.com](mailto:membership@parliament-pool.com) if you have further questions.

**Membership Clean-Up Days** will be announced at a later date, and will include two weekend mornings in late April/early May. Members who volunteer for at least three hours will receive a book of guest passes. These clean-up days are essential to the pool opening on time and in excellent condition. The board would prefer to rely on our members to volunteer their time rather than hire outside contractors to complete the necessary tasks. In the future, a \$50 maintenance fee may be assessed to cover these expenses if we do not have enough volunteers. Come lend a hand!

Look for more information coming soon regarding Swim and Dive Team, as well as social events being planned for this summer.

## Volunteers Needed!

Parliament Pool is run almost exclusively by volunteers, with the exception of paid lifeguards and staff. In addition to board members, many volunteers are needed for the continued success and vibrancy of our neighborhood pool. Below is a breakdown of our current committees. Please sign up for one of these committees on the membership form, or feel free to suggest another way you would like to contribute to Parliament Pool.

### **Operations Committee**

Establish pool rules, staff pool positions, ensure successful day-to-day operations.

### **Maintenance Committee**

Responsibilities include maintenance and technical operation of the pool including beautification of the pool and the surrounding area.

### **Membership Committee**

Manages all aspects of pool membership including invoicing, payment processing, and database management.

### **Activities Committee**

Plans all the social activities at the pool, such as teen activities, movie nights, adult nights, Thursday night dinners, etc...

### **Marketing/Communications/Fundraising Committee**

Works to publicize our pool in the Kings Park and beyond. Duties include making flyers, writing articles for the Kings Park Gazette, fundraising, soliciting pool sponsorships, expanding social media

We welcome your help, ideas, and suggestions!

### ***See you at the pool!***
