# 5K Spirit Run

For many years, Holy Spirit Catholic School has been supporting all types of learners through our resource program, including those with mild to moderate disabilities. Our program currently supports over 30 students, helping them to achieve social and academic success as they learn in inclusive classrooms alongside their peers. Last year, we expanded our program to welcome students with intellectual disabilities and other more significant learning needs.

In order to make a Catholic education accessible to all, the additional costs required for licensed special education professionals and resources are covered primarily by grants and fundraisers. Last year's race was a huge success! The funds raised were utilized to hire an additional part time faculty member for the resource program and to purchase technology dedicated to the needs of our students.

We are excited to host another 5K Spirit Run on May 20, 2017 at Burke Lake Park to help support our growth as well as build community and raise awareness of our program. We are writing to ask for your support and sponsorship in this endeavor. Monetary donations will help cover the cost of the race, allowing the profits from race registration to directly support Holy Spirit School's Resource Program, enabling children with special needs to receive a Catholic education. Please see the reverse of this letter for sponsorship levels. Donations must be made by April 14<sup>th</sup> in order to receive all sponsorship benefits.

Thank you for your consideration.

Sincerely,

Sue Gibbons and Sara Hicks
