

Why join the Bereavement Ministry?

"It is a privilege and great honor to pray for the deceased at their last Mass at Holy Spirit."

"I view it as one of the works of mercy and part of our responsibility to our faith community."

Bereavement Ministry members pray for the deceased and support their loved ones by attending funerals and visitations in our parish throughout the year.

For those unable to attend daytime funerals, our **prayer group** members pray from home for the deceased of our parish.

"I want to ensure a presence at those funerals where there are no family members or others attending."

Quotes are from current Bereavement Ministry members.
