

Dear Holy Spirit Parents,

First of all, let me say; thank you! Thank you so much for your tireless support of our school.

As you know, the success of our school depends heavily on the support it receives from parents. Your volunteer commitments this year have exceeded expectations and in turn contributed greatly to the success of our Fall Fundraising Events. As you know, our Fundraisers help to support and maintain the essential needs of Holy Spirit School, its students and teachers.

It goes without saying that our wonderful teachers and staff are responsible for the excellent educational reputation Holy Spirit School retains as well as the love for learning that our children embrace. In an effort to show our appreciation for all that these individuals do for our children, we will be collecting monetary donations beginning Monday, November 24th through Wednesday, December 17th. Participation is optional, and the donation amount is entirely up to you. Rather than designate contributions to any particular teacher, the money collected will be pooled and then divided among the teachers and staff. The PTO will present a Christmas card containing the monetary gift prior to the start of Christmas vacation on December 19th.

Please send contributions in the sealed envelope labeled TEACHERS' CHRISTMAS GIFT enclosed in today's Family Folder. If you will be contributing by check, please make your check payable to Ann Malone.

Thank you again for all of your support.

Wishing everyone a very safe and Happy Thanksgiving!

Best,

The Holy Spirit PTO
