

How to Enter

Submitting entries for your students is now easier than ever! Using the copied entry forms, you may submit multiple entries at one time on behalf of your students – either online or through the mail. Just follow these steps:

Make copies of the entry form in this kit, or download the form at doodle4google.com.

On the entry form, have students create their doodles using any material they want, write their 50-word descriptive statement, and have your student's parent or guardian sign their form.

Students can draw the Doodle on another sheet of paper, take a digital photo, or scan the Doodle and tape it to the official entry form. Just be sure that the tape is clear and the Doodle is below the information on the bottom of the entry form.

Digital Entries: We've updated our online entry portal so you can upload multiple entries at once as a .jpg or .png file. Simply go to doodle4google.com to get started.

Mail Entries: Entry forms can also be submitted by mail. Mailed submissions must be postmarked by **March 18, 2019** and received seven days from the postmark deadline at one of the below addresses:

Regular Mail: Doodle 4 Google Contest (US)
P.O. Box 391840
Mountain View, CA 94309-9899

Overnight Mail: Doodle 4 Google Contest (US)

By signing below, I acknowledge that I am a parent/legal guardian of the entrant and give my permission to enter the contest. I understand that the organization that I enter on the content form is the organization that would receive the technology award if deemed a national winner. The organization will be subject to Google's Giving Policy. I have read and accepted the official Doodle for Google contest rules at doodles.google.com/dgg/rules.html and acknowledge that the entrant is eligible according to the contest rules.
