## Parent Volunteer Opportunities!

### Crafty Costume Makers

There is a lot of cutting, taping and gluing to get our actors costumed for the big night! If you are creative, crafty and willing to donate some time and effort, it will be a big help in bringing these characters into the spotlight.

### Combined Rehearsal Monitors

The combined rehearsals will take place the two weeks before the week of the concert, November 28th - December 2nd and December 5th - 9th. Come help keep our little stars in line! Times for grade levels will vary.

If you have any costume questions, or you're a parent who would like to earn some hours by volunteering, contact Mrs. Gullickson,  
[lgullickson@holyspiritflames.org](mailto:lgullickson@holyspiritflames.org)

**SANTA'S  
SECRET  
S · H · O · P**

*...is coming to our school*

Dear Parents,

We are inviting you and your child to participate in the upcoming "Santa's Secret Shop" program at our school. This program makes it possible for children to experience the joy of choosing their own special holiday gifts for family and friends. The "Santa's Secret Shop" program will be set up at the school and supervised by our parent volunteers. They will help the children pick that perfect gift for the price they want... in a familiar, comfortable atmosphere.

We believe this program will create wonderful memories for the children while teaching them to budget their money and make their own decisions. There will be a large variety of gifts in different price ranges to choose from. Imagine the fun they will have surprising a loved one with a "secret" gift they bought... all by themselves!

We welcome you to be part of this great experience. A "money control" envelope is provided for you to help them decide who they should buy gifts for and how much they should spend. You can even suggest ways that your child can earn extra shopping money.

WeDo 2.0 Robots

Would you like to help us build our robotics program?

As we grow the robotics program at Holy Spirit we would like to purchase our own robots. Donations are tax deductible. A set of four of the smaller Lego WeDo 2.0 robots currently prices at \$750.00 (with additional shipping costs, etc.). In order to have students work in relatively small groups we are looking to start with eight to twelve robots. The complete class set will be available for teachers to check-out and work with in their classrooms.

Donations large or small are appreciated.

Thank you!
