**Happy New Year!**

I hope you have all enjoyed a wonderful break from school and that you experience much happiness to celebrate in the coming calendar year!

It is hard to believe we will be back at school in just a few short days. As a reminder to all, if you chose to travel with your family over the break, please consider where you have gone and with whom you have celebrated over the past couple of weeks. It is always better to error on

the side of caution when considering whether to send your children directly back to school or if days at home are a better option. The Virginia Department of Health recommends begin tested 3-5 days after travel or quarantining for 10 days if you choose not to be tested.

See everyone soon!

## Required Symptom Screening Questionnaire

We continue to work on an App for the daily health screening. Students must continue to arrive at school each day with a paper copy of the completed form. We are asking for the paper copy for now as trying to manage emails from families at the start of each day is not workable or practical for the staff.
