Inspiring Minds/Igniting Hearts
2023/2024
"Faithfulness"

A Week of Inspiration

Catholic Schools
United in Faith and Community

A heartfelt "Thank you!" to the Holy Spirit Parish Knights of Columbus for the generous donation to the school's Resource Department. The Knights chose the school to receive over \$700.00 in proceeds from the October BINGO event.

This week has seen a flurry of activities and events all centered around celebrating our Catholic school. We began on Sunday with students representing us so very well at the parish 10:30 am Mass. Monday allowed us time to come together as a community with Father O'Donohue to celebrate what makes us unique and to pray for all those who support not just us but the Catholic school system across our country.

On Tuesday we were "wowed" by the amazing Spellers in the building. Congratulations to all of the homeroom winners who competed in the finals! We ended the day watching a portion of the original "Mary Poppins" movie giving us a sample of what is to come with the

Middle School musical in March.

The faculty and staff were pampered a bit by the parents via the PTO Hospitality Committee with a wonderful soup and sandwich lunch. Thank you to all who acknowledged teachers for the hard work that they put in each and every day.

Thursday we made sure to ignite our hearts for those who are fighting illnesses in hospitals by making cards and bracelets which will be donated to Letters of Love.

Throughout the week and including tomorrow, the students (with the help of their teachers) have been acknowledging and thanking those throughout the building and in our parish who do so much throughout the year to support our mission.

And we did all of that wrapped in our Holy Moments challenge of offering genuine smiles to those we see throughout our day.

Speaking of Holy Moments....the students have begun the Holy Moments Bucket List Challenge! Be sure to ask your student about this. The challenge is meant to provide opportunities for all of us to take what we have learned thus far this year and to tailor those lessons to our own lives. The students will brainstorm ways in which they want to improve their own lives, their lives of their families, and their communities through works of kindness. As we head into Lent, this a terrific time for these projects as we focus on acts of prayer, fasting and almsgiving.

Catholic Schools Week is always a wonderful affirmation of our primary mission of teaching and passing along our beautiful Catholic Faith to the next generation of leaders in our Church.

The annual Book Fair benefiting our school library begins on Sunday, February 4th. See the flyer below.

Our annual Grandparents Day celebration is scheduled for Friday, February 9th. Information is on the flyer below. The RSVP form is now closed.

Remember that Monday, February 12th is a no school day. This is the reward for meeting the Boosterthon fundraising goal.

The season of Lent begins on February 14th. We will go to Mass on Ash Wednesday at 10:15am.

The next PTO Spirit Gear day is Thursday, February 15th.

Friday, February 16th is a no school day for students. It is a professional development day for the faculty.

Monday, February 19th is a no school day for the President's Day holiday.

The parent portal will close on March 1st and the 2nd trimester ends on March 7th.

Did you create your own Holy Moment this week? Were you aware of your interactions with others this week and provide a smile to those you encounter in the workplace or while out and about running errands? Did you know smiles are "contagious"? When you provide

a genuine smile to someone the recipient feels reassured and a bit more at ease. Plus, when you smile you release endorphins that are "contagious" to others!

February 9th
is
GRANDPARENTS DAY at Holy Spirit School!

9:00 AM Mass (in the church) followed by a reception

RSVP needed by January 31, 2024 - use the link below

Grandparents and their grandchildren should arrive together in time for the 9:00 am Mass and go directly to the church.

Any student who will not have a guest that day should arrive at school at regular time and those students will attend Mass with their homeroom.

After Mass all grandparents and their grandchildren are invited to attend a reception in the gymnasium where we will have a breakfast "treat" and a planned activity.

Grandparents and grandchildren will also have the opportunity to attend the Book Fair in the library, if that is something they would like to do.

It is time to get up off that couch and get ready for the 5K Spirit Run benefitting our Resource Department!!

2024 5K Spirit Run

Can you help us?

For many years, Holy Spirit Catholic School has been supporting all types of learners through our Resource Program and Expanded Services at Holy Spirit School. We currently support over 50 students who have mild to moderate disabilities and who need resource assistance in the areas of ADHD, Autism, Dyslexia, Intellectual Disabilities, Learning Disabilities, and other special needs. We continually adapt to help meet the individual needs of our students so they can achieve social and academic success in inclusive classrooms. Our Resource Team includes four resource teachers, a full-time reading specialist, a full and part-time paraprofessional, and a full-time counselor!

To make inclusive Catholic education accessible, the additional costs required for licensed special education professionals, continuous professional development for our staff, and classroom materials are covered primarily by grants and fundraisers. We host a 5K Spirit Run each year to raise funds, build community, and raise awareness.

The 2024 5K Spirit Run will be held in the Holy Spirit Parish neighborhood on May 18, 2024. We are writing to ask for your support and sponsorship for our 5K. Monetary donations will help cover the cost of the race, allowing the profits from race registration to directly support Holy Spirit's Resource Program, enabling children with special needs to receive a Catholic education. Please see the reverse of this letter for sponsorship levels and other ways you can help us make inclusive education possible.

Thank you for your consideration.

Sincerely,

Sue Gibbons, Race Director

Thoughtful Moments

St. Josephine Bakhita
St. Josephine Bakhita was a young girl in Darfur, Sudan when she was captured and sold into slavery. Despite serving under cruel masters for many years, she remained sweet and kind. Eventually, she was treated very kindly, bought her, while in Italy, they introduced her to the Canonian Sisters of Charity. She joined in 1893. She spent the rest of her time there as a cook and seamstress. She also helped to prepare young sisters.

Unconditional love
Children learn about God's love by experiencing love from their parents. Children who feel unconditionally loved by their parents are less likely to feel failure or judgment and more likely to look at their parents as advocates rather than adversaries. They are also more likely to be open to a relationship with a loving God as Father.

"A wife who fears her father's punishment, but a scuffer does not fear his father" (Proverbs 13:1).

Forgiveness leads to holiness

In family life, conflict may be commonplace as children learn to navigate relationships but learning how to forgive is essential to healthy development. Forgiveness is also essential for holiness. "If you forgive others their trespasses, your heavenly Father will also forgive you" (Matthew 6:14). Teach children how to say the words "I'm sorry," "I was wrong," when they have hurt someone. Asking for forgiveness starts the process of recognizing when they have transgressed and understanding that amends must be made. When someone says the words, immediately offer forgiveness by saying, "I forgive you."

Release grudges. Old resentments keep us from fully experiencing God's love and forgiveness. Encourage each member of the family to write at least one grudge or resentment they are ready to let go of on a piece of paper and put it into a "grudge jar." Then, take out all the grudges, rip them up, and throw them away. Practice humility. Humility reminds us that we're saints-in-progress who need God's mercy. We are flawed beings who make mistakes that require God's forgiveness. Offering mercy to others in recognition of this need is an act of both humility and hope. Pay for each other. Praying together as a family opens us up to much-needed graces. Plus, it's hard to stay mad at someone for whom you pray!

Why Do Catholics Do That?

In the early Church, it was customary to give up rich foods and meat during the penitential season of Lent. This included milk, eggs, butter, cheese, and fat. On the Tuesday before Lent began, families would rush to empty the pantry of the forbidden foods by enjoying a dinner of pancakes (or in some places, fried doughnuts). In several countries, it is even called "Pancake Tuesday!" It was meant to be one final celebration of feasting before the Lenten fast.

WE NEED LEADERS!!

This year the Talent Show will be transitioning to a new leadership format. In preparation for next year's show, we would like to recruit and train a few key roles this year.

Show Chairman: This leader would coordinate and run the show. This includes hosting the Sign Up Day to recruit acts, prepare the lineup the night of the show, and coordinate the DJ and the stage crew volunteers. This position does not have to be an Emcee, but can. The position is fun-filled with the preparations of the show and the final performance.

Dinner Chairman: This leader would coordinate the caterers and oversee Dinner/Dessert setup, work with Holy Spirit facilities on room setup, oversee decorating, and oversee check in when the doors open.

Both of these leadership roles are exciting and fun. More importantly, they are essential elements to make this annual tradition and school favorite successful. If interested, please contact Joe Terpenning (jterpenning@infinitetech.org) with questions and training.

Bishop Burbidge's response to President Biden's pro-abortion rally in VA

President Biden has made abortion the centerpiece of his campaign. At a rally in Manassas, VA, he advocated for codifying *Roe v. Wade* into law. It is incredibly devastating to know President Biden would place "choice" over his sacred duty to protect life.

President Biden's rally took place just four miles from the Manassas Mother of Mercy Free Medical Clinic, where Catholic Charities of the Diocese of Arlington offers free prenatal care to pregnant women in need and their unborn children. In the year after the *Dobbs v. Jackson Women's Health* decision, [the Diocese of Arlington delivered \\$877,000 in free medical care](#) to more than 1,000 women. Going further, the diocese also provided rent and utilities assistance, nearly 400,000 diapers, and 4,000 cans of formula to families in need.

Despite what this administration claims, taking the life of an innocent child is never a "choice." Women who are facing unexpected or difficult pregnancies deserve assistance that affirms and supports life - not destroy it.

Abortion remains the preeminent civil rights issue of our time, yet, just yesterday, the Biden administration announced renewed efforts to increase access to medically unsafe prescription abortion pills. This is clearly not about women's health.

The Diocese of Arlington and the entire pro-life movement will remain steadfast in ensuring parents facing unexpected or challenging pregnancies have the support they need to choose life for their unborn children.
