"In work there is dignity"

Wrap It Up!

Our annual Catholic Schools Week celebration is about at its conclusion and there are simply not enough "Thank you's" to go around to everyone who helps to make us the wonderful, vibrant, faith-filled, learning community that we are.

I wanted to take a moment to highlight the service project which the students completed yesterday. We are grateful for your assistance in our mission of teaching the children the value and grace that comes with being a servant-leader. Yesterday was truly a vivid representation of seeing the hearts of the children inspired to give to those in need. The donations were such that each student in the school was able to put together a "newborn welcome kit" that included a note from a middle school student, a receiving blanket, cloth diapers (and pins), a onesie, a wash cloth, and a pad which will provide a clean space on which to change the precious babies born in Haiti. The extras of each item will be packaged and sent, as well.

We are so very fortunate to have Ms. Rebeca Garcia on our faculty. She is privileged to have gone to Haiti with the Operation Starfish group from Nativity Parish and has seen first-hand the goods works of Stella Marina. Ms. Garcia provided a wonderful slide deck and video clips for the students to view so that they can better understand who we are serving with this project.

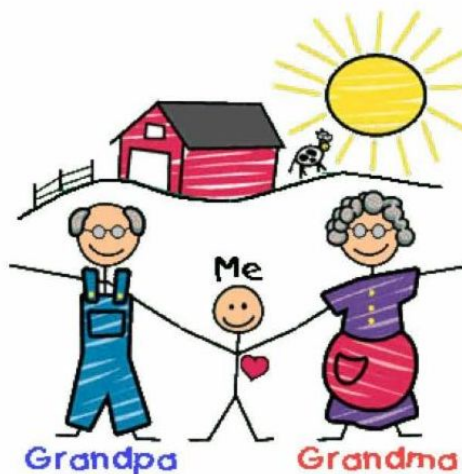

A warm thank you to all of the parents who were here volunteering yesterday. And a huge shoutout to Mrs. Evans for running the day and making sure that all of the students had a positive experience.

Please RSVP for Grandparents Day by tomorrow, February 4th so that we can plan for the correct number of people.

Thank you!

"Nobody can do for little children what grandparents do. Grandparents sort of sprinkle stardust over the lives of little children." - Unknown

**Grandparents Day
February 11, 2022**

We are making adjustments to our Grandparents Day plan in the hopes that we can welcome as many people as possible who are looking forward to attending!

First, please RSVP by Friday, February 4, 2022! Below is a link to a Google Form which allows you to indicate your family name, the grade level(s) of the children, and the number of guests who will be in attendance on February 11th.

Grandparents and their grandchildren should arrive together in time for the 9:00 am Mass and go directly to the church.

Any student who will not have a guest that day should arrive at school at regular time and those students will attend Mass with their homeroom.

After Mass all grandparents and their grandchildren are invited to attend a reception in the gymnasium where we will have a breakfast "treat" and a planned activity.

Grandparents and grandchildren will also have the opportunity to attend the Book Fair in the library, if that is something they would like to do.

(All students will be provided a "treat" after Mass regardless of whether they have a guest attending.)

A reminder that all visitors to the building must wear a face mask.

Remember last week when I said that guidance with regard to COVID continues to change rapidly? Well, that is really quite true.

The principals of the Diocesan schools that are located in Fairfax County, as well as other private school principals, met on Monday with the liaison to the Fairfax County Health Department and the District Epidemiologist. It was relayed to the group that universal (contact) tracing is no longer recommended by public health and that contract tracing in schools no longer needs to be done.

We were told that FCHD is moving to a flu-based model as the department considers the illness, at this point, to have moved to an endemic phase.

As of this writing, schools are no longer required to report individual or sporadic COVID cases to FCHD, but instead will follow predetermined guidelines with regard to what would be termed "outbreaks" for not just COVID, but for any communicable disease (flu, Hepatitis, norovirus, etc.).

This latest change requires a continued emphasis on personal responsibility and being in-tune with the health of your family members. If your child is not feeling well, please keep him/her home and communicate with both your healthcare provider and our school nurse.

Procedures with regard to isolating and quarantining within family units remain and we will continue to provide practical information about this to families.

The flowchart entitled: "What to do if my child is ill or exposed to COVID-19?" is a great resource for families and may be accessed at the following link:
<https://www.vdh.virginia.gov/content/uploads/sites/182/2022/01/K-12-COVID-19-Parent-Flowchart.pdf>

If there is a positive COVID case identified and that student or staff member has been present on campus during what is considered the "infectious period", parents/guardians of children associated with that particular homeroom will continue to receive an email notification from the school.

Schools have been encouraged to update policies and procedures to be sure that general exclusion policies for any communicable disease take COVID into specific consideration. Below you will find a link to a document providing information on what you can expect to hear from the school nurse when discussing a suspected or confirmed case of COVID.

The FCHD contacts were clear that should the course of the COVID illness change, there may be updates and changes to recommended policies and procedures.
