Summer 2023

Reading List

Reading is fundamental to learning. It increases your vocabulary, enriches your mind, and stretches your imagination. Recognizing these factors, Holy Spirit School requires all students entering grades K-8 to complete a summer reading program. In addition to these required texts, we have included a list of optional selections and recommended read-aloud books, which we also encourage you to read. The books are available in paperback at local bookstores, libraries, and on-line. This brochure is also located on the School's website at [www.holyspiritflames.org](http://www.holyspiritflames.org) under the "Happening at Holy Spirit" section on the front page of the website.

To help you prepare for becoming a team member, we have included the reading list for the Battle. We will read twelve (12) books over the course of the year. Take good notes and be ready to ask questions. We hope you like these books as much as we do!
