## Another trimester in the books!

By the time you read this, hopefully you have seen your child's 2nd trimester report. A hearty congratulations to all of the children on their efforts and success thus far.

This is a great time to remind your children that the year is not yet over and to encourage them to put their best foot forward each day. Checking to be sure that your child has all of the supplies he/she needs for the final marking period is helpful and models to your child that you are invested in helping them stay attentive and engaged through to June.

Below you will find information regarding our annual 5K Spirit Run which benefits the school's Resource Department. I hope that you will consider registering and/or becoming a financial sponsor.

The Resource Department at Holy Spirit touches the lives of a considerable number of the children here. From students with identified learning differences who need modifications or accommodations in order to successfully access the curriculum; to little ones beginning their journey to learning to read and who benefit from small group instruction; to students who get a little extra assistance "just because" a Resource teacher happens to be in their classroom; the team of teachers in the department are amazing and are the heart of our inclusive school environment.

I certainly pray that this Lenten season has been fruitful for each of our families. I am grateful for all those families who have directed their almsgiving to our Lenten project.

Knowing that Holy Week begins on March 29th, I hope that you will begin to make your plans to participate fully in the Easter Triduum. These three days are the essence of our Faith as they are the commemoration of the crucifixion, death and resurrection of Jesus. We are an Easter

people!

A poster for Holy Week Schedule. At the top left is the logo for Holy Spirit Catholic Church, featuring a stylized 'W' with a flame above it. The background is a soft, cloudy sky transitioning from purple and pink at the top to orange and yellow at the bottom. A large, dark grey cross is positioned on the left side of the poster. The title 'Holy Week Schedule' is centered in a large, bold, black font. Below the title, the schedule is listed for Holy Thursday, Good Friday, Holy Saturday, and Easter Sunday, with specific times and activities for each day.

## Why We Race

Last year marked the 5th Anniversary of the 5K Spirit Run and the Holy Spirit community stayed strong as we took the race virtual! Thank you to everyone who participated in their neighborhoods and local parks, or on their treadmills and those who sent pictures. We truly are #holyspiritstrong! It was so fun to have a Facebook Live event with Father leading us in prayer and then officially starting the Virtual 5K Spirit Run.

Even though we were not able to gather as a group, the money from race registrations, generous donations, and business sponsors made it a successful fund-raiser. The money we raise each year helps to financially support our Resource Program. Our four-member Resource Team provides academic support for students with mild to moderate learning disabilities, Dyslexia, ADHD, Autism, Intellectual disabilities, and other special needs.

Holy Spirit School has been a leader in inclusive education in our diocese for many years due to the services our Resource Program provides.

Our Reading Resource component not only supports students identified as needing reading intervention but also regularly assesses students in elementary grades to identify students who may need small group early reading intervention.

This year, due to the uncertainty of COVID restrictions, we are going to hold a Hybrid 5K Spirit Run on May 15, 2021, at Holy Spirit School. We will have an in-person 5k route starting at Holy Spirit School and you will also be able to participate virtually.

Please consider making a donation, or becoming a business sponsor. By supporting the 5K Spirit Run you are saying that you support Catholic inclusive education for all students.

## Holy Spirit School's Lenten Project

**Thank you to those who have made our tree project a part of your Lenten sacrifice. We have thus far raised just over \$2,290.00!**

**So, will we keep going?  
Of course!**

As you might imagine, a project like this has many components to it, so although we have reached the initial goal of raising enough money for the seeds, we will now look to contribute to other needs.

This project lists items from wheelbarrows, to watering cans, to plant food, etc. so, we will continue on in order to make the biggest impact we can.

Through charitable works and sacrifices, help us to raise \$1500.00 this Lenten season to purchase seeds for 6000 trees to populate a tree nursery near a newly built village in Balan, Haiti.

Operation Starfish was established in 1998 by Nativity Parish in Burke. Since its inception, 11 "Nativity Villages" have been completed and the 12th is nearing completion. Operation Starfish works in close connection with Food for the Poor to accomplish their ambitious goals.

Our own Ms. Garcia (PreK teacher) has participated in this mission work and has had the privilege of traveling to Haiti.

As we continue to explore and expand on this year's theme of caring for God's creation, this is a wonderful example for the children how the good works of ourselves and others can have a positive and lasting impact on the lives of others.

The current village is being built in Balan and the project goal is to plant 6000 trees—primarily

fruit and moringa trees which are high in fibre, zinc, and help regulate blood sugar. This project will help with reforestation, soil erosion, and provide shade. The trees will also absorb pollutants, and provide oxygen through photosynthesis. In addition, they will be a food source.

So, how is this a Lenten project?

Teachers will be explaining the project to the children and showing them a part of a video so they can see the village under construction and “meet” some of the families who are beneficiaries. We are hoping that through small sacrifices (for instance, if your family decides to forgo eating out during Lent, that a small portion of what is saved might be donated to the cause. Or, if your child decides to “add” to their Lenten journey by doing something extra at home to help out, that some small change might be provided that they can then donate.

Collection containers will be available in the classrooms and we will track, as a school, our progress.

Truly this is not meant to be just a donation, but instead a great way to converse with your child about the season of Lent and the ultimate sacrifice that Our Lord made for us.

## **Required Symptom Screening**

# Questionnaire

We continue to work on an App for the daily health screening. Students must continue to arrive at school each day with a paper copy of the completed form. We are asking for the paper copy for now as trying to manage emails from families at the start of each day is not workable or practical for the staff.
