Thoughtful Moments

St. Athanasius of Alexandria

Born a Christian in Egypt, St. Athanasius became a priest and a great defender of the Catholic faith. He served as secretary to Bishop Alexander of Alexandria, and later succeeded him as bishop. Because of the terrible persecutions, he was exiled several times during his life and was (falsely) accused of murder by his enemies. By popular demand, Emperor Valens permitted St. Athanasius to return to his diocese. He spent the rest of his life working to defend Christ's divinity.

Our spiritual GPS

Children understand the importance of having guides. When we want to travel somewhere, a map or GPS can show us how to get there. The Ten Commandments and the Beatitudes are like our spiritual GPS. If we follow them, we will get where Jesus wants us to go.

"Whoever humbles himself like this child is the greatest in the kingdom of heaven. And whoever receives one child such as this in my name receives me" (Matthew 18:4-5).

Honor our Blessed Mother this month

In the month during which we honor our mothers, we give special honor to the Blessed Virgin Mary. Jesus gave her to us as our Mother and we honor her for her love and care. Here's how we can show it:

Offer flowers: Flowers are a traditional way to show devotion.

Place a flower crown on a statue of Mary in your home, plant a garden in her name, or place bouquets by her image. Praying the Rosary is also a way of giving flowers, with each prayer like a rose for Mary.

Give thanks: We owe Mary our gratitude for agreeing to be God's mother, and ours, too. It is hard to comprehend the depth of the sacrifice involved in her "yes" to God.

Follow Mother's instructions:

Mary's requests are simple yet profound. Her directive, "Do whatever [Jesus] tells you," found in John 2:5, is her clearest instruction. By following Jesus, Mary tells us we will find happiness.

Acts of service and imitation: Another way to show devotion to Mary is to emulate her virtues by following her example. Mary is venerated for her humility, obedience, purity, and love. By striving to live out these virtues in our own lives and by serving others with compassion and love, we honor her legacy and demonstrate our devotion to our Mother.

Why Do Catholics Do That?

The practice of crowning images of Mary began in the eighteenth century. Origins of the practice drew inspiration from Scripture, particularly Revelation 12:1, which describes the crowning of Mary as Queen of Heaven and Earth. By

Why do Catholics crown Mary in May?

crowning a statue of Mary with flowers, and commemorating her royal role, Catholics express gratitude for her unwavering faith and her "yes" to God, fostering a personal and communal renewal of devotion.

2024 Boosterthon Committee Chairs (2 needed)

Join the fun and help us run our next **Boosterthon** in **September/October 2024!**

We are looking for two committee chairs to work collaboratively on our biggest fundraising event of the school year - Boosterthon! This role enables us to deliver a fun week of activities resulting in a big event that all the children love to participate in. The role includes overall planning, working with Booster Enterprises and engaging families to participate on the day. This role is worth 40 points per committee chair.

If you're interested in this role, please reach out to Lauren Schmidt

Holy Spirit Field Day 2024

Friday, May 17

Hello Holy Spirit School Parents,

Field Day is quickly approaching! Here's what you need to know:

Field Day T-Shirts will be distributed to students (Kindergarten – 7th grade) on Field Day morning in their homerooms. Pre-K does not participate in the Field Day activities with the rest of the school; they have their own fun activities. They will, however, participate in the food: popsicles for a snack, pizza for lunch, and ice cream sandwiches for dessert.

Students should wear their gym uniforms and comfortable running shoes. Keep in mind they may get wet and dirty.

Students may bring **labeled** hats and sunglasses.

We will have water stations and cups. However, students may bring appropriately sized, labeled water bottles, if they wish. **Please do not bring any other drinks besides water, as they may attract bees.**

Apply sunscreen to your students **before they come to school!** Sunscreen containers are not allowed at school.

Please ensure that your children eat an appropriate breakfast to prepare them for a day of physical activity.

Food: We will provide popsicles during morning break, Domino's Pizza and water for lunch, and ice cream sandwiches during the afternoon. Students who are allergic to any of these items should bring their own snacks and or lunches.

Medical Conditions: In the event that any children are currently suffering from some type of temporary physical disability or injury, or are currently wearing or using any assistive device, they will not compete in Field Day for their safety. Other accommodations will be made for these students. For those who suffer from allergies, please take into consideration that we will be outside most of the day.

Field Day goes on rain or shine (hopefully shine)! We're looking forward to a day of fun!

Questions? Please feel free to email jessica.a.driscoll@gmail.com or call/text 908-338-5312.

Summer Reading Skills PROGRAMS

CLASSES OFFERED IN CHANTILLY, SPRINGFIELD, and STERLING

Program for 4-Year-Olds and Entering Kindergartners
 In this fun summer program, your child will learn to read. Children learn letter recognition, beginning phonics, and easy sight words. Your child will learn to read simple words and short sentences and get excited about books and reading.

Program for Entering 1st Graders
 In this fun summer program, your child will learn to read independently. Children learn phonics and sight words and build comprehension skills. Your child will develop a love of books and reading and get off to a great start in first grade.

Program for Entering 2nd Graders
 In this fun summer program, your child will become a confident, fluent reader. Children build solid phonics and word-attack skills, develop reading fluency, and improve comprehension. Your child will develop a love of reading and get off to a great start in second grade.

Program for Entering 3rd Graders
 In this fun summer program, your child will become a strong, confident reader. Children improve fluency and comprehension, build long-word decoding skills, and expand vocabulary. Your child will develop a lifelong love of reading and get off to a great start in third grade.

Programs for Entering 4th and 5th Graders
 In these fun single-grade programs, your child will become a skilled, confident reader with strong comprehension in fiction, nonfiction, and textbooks. Students expand their vocabulary and learn to read more fluently and rapidly. As a result, your child will complete homework more quickly and easily, get better grades, and enjoy reading more.

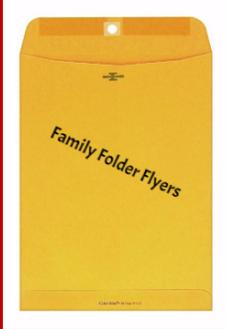

Programs for Entering 6th, 7th, and 8th Graders
 In these single-grade programs, your son or daughter will make substantial gains in comprehension and reading speed in fiction, nonfiction, and textbooks. Students expand their vocabulary and learn to read more fluently and rapidly. As a result, your child will complete homework more quickly and easily, get better grades, and build confidence as a reader.

Programs for Entering 9th and 10th Graders
 In these single-grade programs, students learn the skills they need to succeed in high school. Your child will double reading speed and improve comprehension and focus in fiction, textbooks, and nonfiction. Students expand their academic vocabulary and learn study strategies to complete work efficiently, get better grades, and score higher on exams.
