## Holy Spirit School *Inspiring Minds/Igniting Hearts* 2020/2021

"Protect the Creation; Praise the Creator"

# Earthquake?

Every year, the **International ShakeOut Day** is the third Thursday of October and so today we participated in the *Great Shakeout*. Each year schools are expected to have students participate in an earthquake drill....just in case. Be sure to ask your student about it. (Do you remember where you were when Virginia experienced the 5.8 magnitude earthquake in August of 2011?)

The PTO's Fall Fundraiser kicks off next Monday, October 19th with a goal of raising \$20,000. The folks from **Boosterthon** will arrive and start off the program of fun activities and character education with the students. A flyer is provided below.

In the meantime, visit [FunRun.com](https://www.funrun.com) to see how to get started. Here, you can access the character content for this year, as well as support our school!

Please consider supporting the PTO and the school in this endeavor.

The first **PTO Spirit Wear day** is scheduled for next Thursday, October 22nd. Hopefully you received your wonderful Spirit Wear that was delivered yesterday. Please remember that in order to be out of uniform on Spirit Wear days, students must be wearing official Spirit Gear that was purchased via the PTO either last year or this year. (No random Holy Spirit shirts.) Thank you!

We will be switching over the **Winter Uniform on Monday, November 2nd**. At that time, the

younger boys must all transition over to the grey pants (no more shorts). The younger girls must be in either the plaid jumper or the grey pants (no more skorts or maroon dresses). All students must move over to the PE sweatsuit (students may wear the shorts under their sweatpants, if they choose).

As we move into chillier weather, please remember that the building does tend to run cold, especially in the hallways. During instructional time, if students are cold, they may only wear either the uniform long-sleeved shirt or official school fleece with their regular uniform. If students are cold on PE days, they may only wear the PE sweatshirt during the school day.

Know that we do go outside as much as possible. As the temperatures dip, it is important that students have appropriate outerwear.

We have begun to receive inquiries regarding **travel over the Thanksgiving break**. Although the CDC does not have restrictions/guidance regarding quarantining following domestic or international travel, it is certainly something to think about. If you are choosing to travel, as mentioned last week, please consider whether it is wise to send your student back to school immediately following - especially if you are travelling to what is considered a "hot spot".

We have been amazingly fortunate thus far to have not had to deal with closing classrooms or worse; this will continue only if everyone in our community continues to shoulder the personal responsibility of being considerate of everyone else and checking themselves with regard to personal behaviors. If we have a positive case in the school, the Health Department must immediately become involved and decisions regarding closures, etc. are taken out of the school's hands.

In that vein, it has been decided to cancel this year's Trunk or Treat evening event. The CDC has specifically named these types of events as being "high risk" activities. So, we will pivot and come up with some alternative activities that we can safely do here during the school day on Thursday, September 29th. For those who have been here and participated in the past, I know this is a big disappointment (for me too as my family loves to put together our booth each year). I am erring on the side of caution with this one both in terms of mitigating the possibility of an attendee unknowingly being sick and in order to be sure we do not violate gathering size restrictions. Please be on the lookout for requests from room parents for donations as we nail down what we can do so that our students from little to big have some type of fun activity in addition to the planned activities for the conclusion of the Boosterthon fundraiser.

The **SPRIT WEEK** flyer is below! The Student Council has planned some great days. Please remember that the **Ton of Love Food Drive** is an important part of our Spirit Week as we help our neighbors in need. A reminder that **Friday, October 30 is a no school day** for students while the teachers participate in professional development.

**Parent/Teacher conferences** are scheduled for November 10th and 11th. Please keep an eye out for information on sign-ups. All families are required to participate in a conference.

The **OUTDOOR CLASSROOM/GARDEN is still a work in progress**. Please consider assisting this weekend so that we can finish this up and make it a usable space for the students while the weather is still terrific for being outside. This is a great way to pick up required PTO Service Hours.

Thank you for all you do to support Holy Spirit School!

# Required Symptom Screening Questionnaire

We continue to work on an App for the daily health screening. Students must continue to arrive at school each day with a paper copy of the completed form. We are asking for the paper copy for now as trying to manage emails from families at the start of each day is not workable or practical for the staff.

Want to Donate Online? Here's how to do it:

**Step 1: Use the following link to make donations directly to the St. Lucy**

**Project warehouse:**

<https://www.cdda.net/SLPAmazonWishList>

**Step 2: Enter code: "HS Flames" in the "Gift Message" text box**

At checkout, donors (Holy Spirit parishioners, students, staff, family, friends) fill in "Gift Options" as follows:

- Insert "HS Flames" into the "Gift Message" text box provided.
- Check the EMAIL RECIPIENT box and INSERT [St.Lucy@cdda.net](mailto:St.Lucy@cdda.net). This automatically sends a gift receipt to Catholic Charities with all the information they need to give our organization credit for the food donation.
- **IF there is more than one food item selected, each item will need "HS Flames" inserted into the "Gift Message" text box and a gift receipt email of [St.Lucy@cdda.net](mailto:St.Lucy@cdda.net) (this is because orders can be shipped in multiple boxes and come from multiple distribution centers).**
- The donor's name will automatically be included.

All donations will be shipped and received at St. Lucy's Manassas Warehouse. Catholic Charities will unpack each box and collect the gift receipt packing slips. They will also receive the digital email from Amazon confirming the donor's name and items donated.
