Inspiring Minds/Igniting Hearts
2022/2023
"Joy"

Be sure to keep reading!

There is a tremendous amount of information in this week's newsletter. From standardized testing, to the start up of band, strings, and choir. From PTO Spirit Gear sales, to Boosterthon business partnership opportunities; and more.

Be sure to scroll through everything!

A reminder that tomorrow, Friday September 2nd is an early dismissal day for everyone (no afternoon Extended Day). Monday, September 5th is a no school day for everyone. Tuesday, September 6th is a no school day for students (professional development for teachers). Extended Day is open on 9/6 for those families who have pre-registered for the day.

Have a wonderful long weekend!!!

On Thursday, September 8th we will celebrate the Nativity of the Blessed Virgin Mary. We will have a prayer service at 8:30 am, please stop by, if you have time.

If I may ask, please plan to send your child(ren) into school with a flower to help create a class bouquet.

Thank you!

The Diocese of Arlington will be using a new standardized testing platform for grades 3-7 this year. The assessment is through NWEA and is the MAP Growth assessment.

As we have been accustomed to, the test is an untimed, online, adaptive assessment which will be given three times during the year. We will continue to test in the areas of English grammar, reading comprehension and mathematics.

Below you will find a letter from Dr. Vorbach, Superintendent of Catholic Schools regarding the new platform and parent information.

The first testing window will begin September 12th. During that week students in grades 6-8 will take assessments. Students in grades 3-5 will take assessment beginning September 19th.

Teachers have received a minimal amount of training at this point - just enough to administer the tests! During the day of professional development on September 30th, teachers (and administrators) will learn how to pull data, read and interpret reports and results.

Results from the first testing window will be shared with parents during the November conferences.

The Diocese of Arlington continues to stress the use of standardized testing results to inform instruction in the classroom.

For those who have been asking, the services for Mr. Anthony Baynard (Mr. B) will be held in

Chesapeake, Virginia. The viewing is tomorrow, Friday, September 2nd and the funeral is Saturday, September 3rd.

More information may be found at:

<https://www.fitchettmannfuneralservices.com/obituary/anthony-baynard>

We continue to pray for Mr. Baynard's family and friends and hope you will join us in that, as well.

Night – WEDNESDAY, SEPT 7TH, 6pm*

Dear Holy Spirit Parents,

Welcome to the HS Strings Program!

"Studying a musical instrument is an exceptional way to enrich a child's life. It is a 'hands on' creative experience which provides many stimulating cognitive benefits such as improved listening, reading and math skills." It is my privilege to have the opportunity to encourage your child to move forward with their achievements.

The program is designed for students from 3rd to 8th grade who wish to study a string instrument (violin, viola, cello). The curriculum incorporates group lessons, master classes, ensemble playing and performance opportunities. During the first year of study, your child will learn the basics of playing his/her instrument. We focus on holding the instrument and bow with the correct posture, as well as producing a relaxed, resonant tone. They will also learn the basics of reading music and taking care of their instrument.

For grades 3, 4 and 5 classes will be scheduled Wednesdays when school is in session. Middle school/advanced students will have classes after school from 3:20 to 4:15 pm on Wednesdays. The first string class is scheduled to begin on **September 14, 2021**.

The tuition for the program is \$430 for the school year (at least 27 lessons). This price includes a method music book/sheet music. Tuition is payable by check to "Hwan-ah Lee". Parents may opt to pay with payment plans (please see the registration form for the payments schedule).

Students are required to rent or purchase an instrument to participate in the program. Most of the rental options are rent-to-own programs which are designed to be cost-effective for you while providing students with a complete instrument package, including the instrument, bow and instrument case. There are several music shops in the area where you can rent or purchase an instrument for your child.

Connect1

This application can be accessed on a smartphone or computer.

- It will provide a central location for families to see all the volunteer opportunities available to them, both school-wide and for their children's classes (replacing the need for individual sign-up genius accounts).
- It will provide a way to automatically track PSSC hours based on event signups (and adjust that time as needed).
- It will provide an electronic version of the school directory, including class lists and parent contact information. Information can be updated in real-time, ensuring information for students who join school mid-year is readily available, and information for families who move during the school year is quickly available as well.
- It provides a prayer board to request and answer prayers for our community.

You can sign up at:

<https://app.connect1.io>

School Code: L41VP6

NOTE: One parent/guardian signs up first, adds the other guardian in the app. The second (and any other guardians - aunts, uncles, grandparents, adult children, etc) will use the link they get to sign up. If you don't do this the family account will not be linked and you may not get proper credit for your PSSC hours.
