Just a couple of reminders...

Please be sure to access the summer math and reading assignments via the ***Student Resources*** tab on the school website. Math assignments are for rising 1st - 8th grade students and the reading assignments are for rising kindergarten - 8th grade students.

For the math assignments on IXL, we are asking and encouraging students to work on skills from the grade level they just completed. We are not requiring students to work ahead to the new grade level.

*Students new to Holy Spirit will be receiving usernames and passwords to IXL just as soon as they are created.

Information regarding the start of the new school year will be sent to families at the beginning of August and the school calendar via the webpage will soon be populated.

We are closing in on the last days to order school supplies via EPI. **The online deadline date is July 15th.**

We have quite a number of students who are need of providing medical documentation to the clinic. Please remember that all forms and proof of vaccinations **MUST** be provided prior to students returning to school. Don't delay - make that doctor appointment today!
