## Getting ready for August 2016!

Preparations are still busily being made for the new school year. Of particular importance to many is the status of your family Smart Tuition account. Please know that the rollover is currently taking place and all families should be receiving "Welcome letters" for the new year soon. The process for us has been stymied due to the lack of a bookkeeper for the school and we are currently in a holding pattern with regard to hiring. The parish itself is in search of a parish business manager and thus we were asked to hold off until that position is filled. We do have limited outside assistance available to us so I appreciate everyone's patience.

For those who traditionally pay their tuition in full, a reminder that the payment is due by August 1st. Checks may be mailed to the school or may be dropped off during open office hours.

Kudos to all of those students who have started their summer math assignments! All registered students should have their login information at this point.

I am stressing again that the summer math assignment requires particular hours with skills from the grade level that the student just finished. Although working at a lower or higher level may be done, successful completion of the assignment requires working at the grade level completed during the 15/16 school year.

For all students at Holy Spirit - do not forget there are reading assignments as

well.

A reminder that tomorrow, July 15th is the last day for ordering school supplies via EPI. Please see the information below.

We have quite a number of students who are in need of providing medical documentation to the clinic. Please remember that all forms and proof of vaccinations MUST be provided prior to students returning to school. Don't delay - make that doctor appointment today!
