

Little Medical School is now offering Little Doctor School at Holy Spirit School!

LMS offers STEM activity-based classes where we strive to inspire the next generation of Healthcare Heroes! We are offering a 6-week class on Thursdays starting in April.

We're excited to inspire your student to imagine a future in a profession that perhaps they didn't consider before this class!

Little Doctor School

Through role-play and activities, students will learn the key responsibilities of a doctor, and explore anatomy, using real medical instruments such as stethoscopes. Children will also learn about first aid, treatment prevention, and much more!

APRIL 20TH THRU MAY 25TH

3:30PM - 4:30PM

GRADES K-2 WELCOME
