Mattie Miracle Cancer Foundation is a 501(c)(3) tax-exempt public charity founded in the loving memory of **Mattie Brown**, a 7-year old, who courageously battled Osteosarcoma. The Foundation builds public awareness of childhood cancers and addresses the psychosocial needs of children and their families. All walk proceeds go directly to funding the implementation of a national psychosocial standard of care as well as endowing the Mattie Miracle Child Life Program Fund at Georgetown University Hospital.
