

5th Grade “Move-Up Night”

Wednesday, May 20, 2015

7:00 pm

Rising 6th grade students and their parents are invited for an evening program to learn more about what it means to “move-up” to middle school.

There will be separate programs for the students and parents. The student portion includes activities and games to introduce teachers and to talk about some of the things unique to middle school. The parent presentation gives an idea of what parents can expect during the transition to middle school.
