

Roller Skating

Dear Holy Spirit Parents,

It's time to "roll" out the fun with skating. This year Holy Spirit students in grade K-5th will be roller skating and once again Skatetime School Programs and USA Roller Sports will supply the equipment. Skatetime supplies grades K-4th with traditional quad (4 wheeled) skates for a rental fee of \$10.00. Grade 5 may choose either quad (4 wheeled) or in-line (one blade) skates also for a rental fee of \$10.00. Safety equipment, such as helmets, hair covers, wrist guards, knee, and elbow pads is provided by Skatetime. However, **students may bring in their own safety gear to wear, but NOT their own skates**. This semester K-5th grade students will be roller skating during Physical Education classes Monday, September 25, 2017 through Friday, October 06, 2017.

This year you will be automatically invoiced with your October SMART Tuition invoice for a fee of \$10. However, you still need to complete and return the attached permission slip by September 5th. Be sure to complete the section requiring your **CHILD'S SHOE SIZE and HOMEROOM TEACHER'S NAME, (such as 4L, 3C, 5B)**. If your child is not participating in the Skating program please complete and return the bottom portion of the skating permission form by September 5th.

As with every year each class needs 3-4 parent volunteers to distribute/collect equipment, help students with skates/safety gear and act as skate patrols to insure safety. We will be using MySignUp.com for volunteering. Please keep in mind that as a volunteer you **MUST BE IN COMPLIANCE WITH CHILD PROTECTION IN THE DIOCESE OF ARLINGTON**. Also, keep in mind that as a volunteer you are expected to aid all students with equipment and stay vigilant to students skating. Please refrain from using cell phones. If you are interested in helping please visit: <http://www.signupgenius.com/go/10c0449a9ae2fa4fd0-20172018> and sign up under your student's class.

Thank you, in advance to all the wonderful parents and volunteers for helping us continue this valuable program.

Joanie Gregas
