

**Holy Spirit**  
CATHOLIC SCHOOL

*Inspiring Minds*  
*Igniting Hearts*

Dear Holy Spirit School families,

Wow! September flew by and now we are well into October... and you know what that means! Spirit Week! This fun-filled week, October 27 through October 30, is just around the corner and the Student Council members, along with the help of Mrs. Hamer, Mrs. Ashby, and Mrs. Evans have been hard at work planning. The week's agenda is as follows:

Monday October 27: **Get up and dance!**

Get up and dance day has been a part of spirit week for many years now. Every hour, music is played over the loud speaker for the children to dance to. It's a great way to incorporate exercise into the day and get all the wiggles out. The kids love it and the teachers do too!

Tuesday October 28: **Superhero dress down day!**

Superhero dress down day was introduced in the 2012-2013 school year, and this year we are bringing it back. Students (and teachers too) dress down as their favorite superhero or a made up superhero. It is super fun! Please, no weapons, pajamas, spaghetti strapped shirts, short shorts, open toe shoes, or hair dye. Small face paint on the cheek will be allowed.

Wednesday October 29: **Wacky pink accessories day!**

Wacky pink accessories day was introduced last year in memory of Mrs. Eisenhardt. On this day, pink is everybody's favorite color. Pink accessories are worn along with the expected school uniform. Pink scarves, hats, socks, undershirts, jewelry, small face paints on the cheek, are accepted.

Thursday October 30: **School spirit dress down day!**

School Spirit day is a new event this year. On this day, students will wear full school colors (red and black) and show their school spirit. Please, no short shorts, spaghetti strapped shirts, open toe shoes, clothing with inappropriate sayings, or any other inappropriate clothing.

**Please look for information regarding the Student Council Ton of Love Collection as well.**
