

Donate Food!

DRIVE THRU

to benefit the St. Lucy Food Project

August 28

10:00am-2:00pm

Lower Parking Lot

The St Lucy Food Warehouse will be set up in the parking lot to accept “non-contact” drop off of food donations. Those donating will not ever have to get out of their cars - they will drive by and drop their donations into large boxes which will then be “lift-gated” into the St. Lucy Warehouse food truck.

Can you Volunteer to help direct traffic?
