

# The Wall of Heroes

The National Junior Honor Society would like to honor all people who have served our country, including first responders such as police officers and firefighters with the Wall of Heroes for Veterans Day. This is our way of showing our gratitude for those who have sacrificed their lives for others, for all the people who keep our country safe. We are asking veterans and active members in all the armed forces to please be included in the Wall of Heroes. You will receive a sheet of paper where you are able to place a picture of your hero, also where you can include a brief description of your hero. Please bring in a copy of the original picture, if possible. In the description, please include:

- Branch of Military
- First responders, firefighters, and police forces
- Rank
- When and Where they served

Please bring in the sheet with your hero and description by October 24.
